# BOCES

## BOCES Barry Tech

In addition to a high school diploma, these students want a head start in learning skills needed for employment and/or more direction in what they want to study at college

Barry Tech courses are taught in environments that simulate the real world. Classes may be held in an airplane hangar, horse training stable, carpentry shop or video production studio. Courses focus on doing things, rather than just reading or hearing about them.

A.M. classes - 7:50 to 10:20

P.M. classes - 11:50 a.m. to 2:20 p.m.

# Things to Remember & Questions

- What if I usually have a support class in my schedule such as Resource Room or a Skills class? Who should I talk to if I am unsure about this?
- Who is the BEST person to talk to if you're unsure about what class to go into next year in a particular subject?
- Should I take as many AP and honors classes as possible every year?
- Who should I refer to about what classes I need to graduate?
- Is it better to forego lunch and take a class instead?
- Should I only sign up for courses my friends are signing up for?
- Which year is the most important year in high school?
